

## 2006-07 abc Files

These are the files which were used to produce the PDF tunes. This was done by copying a complete file, from the X-field to the end of the tune, and pasting it into the converter at

[www.concertina.net/tunes\\_convert.html](http://www.concertina.net/tunes_convert.html) .

You can also hear a midi music file of the tune at the same site.

If you want to alter a tune you can amend the abc's and repaste.

Excellent tutorials on abc notation can be found at Steve Mansfield's site:

[www.lesession.co.uk/pf/abc\\_notation.htm](http://www.lesession.co.uk/pf/abc_notation.htm) .

The following tunes are as taught by Sheila Sapkota and/or Jimmy Nagle unless otherwise stated.
